

Using the graphic Topic Finder Feature in Maine Digital Library

- Open up the [Bangor High School Library Page](#)
- Scroll down and click on [Digital Maine Library](#)
- Click on [Advanced Search](#) at the top right.
- Click Power Search.
- Click Topic Finder.
- Type in your keywords. You may click on the colored suggested topics to find articles. Try different configurations for different graphic results.
- Click on the specific articles to read and save if desired using the Save to Google Drive feature.
- Use the citation tools.
- Once in your drive, locate the article. Click to open it and use the “Keep” notes feature, or annotate with a highlighter!
